Application Type: Householder Application

The Council has received the above application on which your Parish Council/Meeting may like to make observations. It is important that the Planning reasons for your observations are clearly stated. Any general comments you wish to make will also be taken into consideration. We will then forward you a copy of the application decision once it is made.

Please note that a copy of the Officer's report will be available on the Council's website (<https://publicaccess.mendip.gov.uk/online-applications/>) once a decision has been made. The report will provide a comprehensive, but proportionate, explanation of the issues that have been considered and how the decision has been reached. The decision may be contrary to your Parish Meeting's recommendation, and whilst we understand how disappointing this can be, the report will give further information as to why that contrary view was taken.

If this application is for a Certificate of Lawfulness and you have evidence to contradict or otherwise make the applicant's version of events less than probable then you can submit this information. Please be aware that this information will be shared with the applicant so that they can have an opportunity to comment on it and possibly produce counter-evidence.

Your response should be returned by email to consultations@mendip.gov.uk by 10th August 2020 or, alternatively, you can send a copy in the post. **Please do not include signatures or any other personal information that may need redacting.**

If you require an extension to the deadline for comments, please contact the Planning Case Officer, Charlotte Rogers by email charlotte.rogers@mendip.gov.uk to discuss. We are afraid that we cannot grant an extension in all cases but we will try to accommodate requests if at all possible.

Yours faithfully

Charlotte Rogers
